IDA KERALA STATE BRANCH

Presents

5th STATE CDE PROGRAMME

BIOMIMETIC

POST ENDODONTIC RESTORATIONS

Lecture, Demonstration and Hands-on
Overlays, crownlays, veneerlays, table tops and more...

Let's learn

- Case selection
- Tooth preparation
- Bonding protocols..

Faculty

Prof. Dr. NARASIMHAN BHARADWAJ

 **27th April, 2025**

Annoor Dental College
Moovattupuzha

 **Dentsply
Sirona**

Registration

(for IDA members only)

Lecture only: Rs. 600/-

Lecture + Hands-on: Rs 2600/-

(Take home material worth Rs 2000/-)

For details: Dr. VIJIT NARAYANA - 9633301210

DR. SUBASH K MADHAVAN
PRESIDENT IDA KSB

DR. SIDDHARTH V NAIR
HON. SECRETARY IDA KSB

DR. LANU ABRAHAM
CDE CHAIRMAN IDA KSB

SCHEDULE

- 9.00 am - Inauguration
- 9.30 am - Lecture
- 11.00 am - Tea break
- 11.30 am - Lecture
- 1.00 pm - Lunch
- 2.00-5.00 pm - Hands-on

Biomimetic Post Endodontic Restorations

The advent of Adhesive materials has transformed the art of Post Endodontic Restorations with minimally invasive options. The standard dictum of 360 degrees extensive tooth preparation incorporating Resistance and Retention forms have raised serious concerns over the inadvertent removal of sound tooth structure & longevity of Full coverage restorations. This lecture highlights the Clinical Work-flow in case selection, tooth preparation, choice of Resin cements & Bonding protocols involved for viable alternatives to Full crowns like overlays, crownlays, veneerlays, table-tops, Endo-crownlays etc.
